## STATEMENT OF PERMITS

The following is a status of the permits required for this project.

### **1. NJDEP Permit # 0906-20-0007.1 LUP200002**

Authorizes the JCMUA to construct grading, utilities, landscaping and lighting within the flood hazard area as per approved Site Plans for the Canal Crossing Redevelopment Zone. This permit is in the process of being amended by the JCMUA to incorporate proposed changes to the Phase 3 area, inclusive of this site.

### **2. NJDEP FHA IP – Building**

In conjunction with Item #1 above, a Flood Hazard Area Individual Permit is required for the construction of the proposed building.

### **3. Hudson-Essex-Passaic SCD Soil Erosion & Sediment Control Plan Certification**

A Soil Erosion and Sediment Control Plan certification by the HEP SCD is required. This permit application is pending final stormwater design being addressed under Item #1.

### **4. NJDEP Treatment Works Approval**

JCMUA to file a TWA for sewer infrastructure supporting this development.
