Re: Extension Request Case Z20-053, Block 2404; Lot 11

To Whom it May Concern,

I'm writing to respectfully request an extension on case #Z20-053. This approval for expansion of residential use with "C" variances was granted to the original applicants Steven M Fulop and Jaclyn Fulop to expand the space 887sf and was memorialized on September 24th, 2020.

My husband, Glen Stoffel and I purchased the property in December 2021. Since the purchase we began to search for a contractor but that search is proving to be more difficult than anticipated due to the COVID pandemic. We have been unable to enter into a contract for services with a General Contractor to date.

Per the COVID 19 Extension Act we respectfully request an extension on case Z20-053.

Sincerely,

Zabrina Stoffel
